2230

Actual rating will vary with options, driving conditions, habits and vehicle condition. The ever-popular Nissan sedan is back with a sporty, refreshing new look for 2016. The Maxima is lowered, sculpted, and inspired by stealth, jetfighters. One look at Maxima's floating roof appearance and the aeronautical influence is clear. A special metal-stamping technique was developed, adding the distinctive fighter-jet sweep to its body-line and deeply scalloped doors. Up front, the boomerang-shaped headlights feature a captivating LED signature line that stays illuminated at all times. In back, LEDs accent the wraparound taillights, and 4DSC is embossed in the lamp housings, front and rear. Bold 18-inch Aluminum Alloy wheels are exclusively for Maxima, and Maxima SR's 19 inch aluminum-alloy wheels get a mirror-effect from a unique diamond-cut finish. Inspired by a modern fighter jet, Maxima surrounds with a luxurious, yet functional cockpit. Deep, bolstered sport seats help keep you in place, the tall, angled center stack cradles you for ultimate comfort. Ambient lighting casts a warm, understated glow across Maxima's cabin. With 300hp, a performance tuned suspension, a luxurious driver's cockpit loaded with technology, striking aerodynamic styling, and a Sport Mode setting that'll get your heart racing, the Maxima is more of a sports car than a sedan. The standard 8" multi-touch screen and the 7 inch Advanced Drive Assist Display keep key information at a close glance. A standard Navigation System guides you to where you want to go, and with navigation Swipe to Meter, you can even send map directions from one screen to the other with just a touch. The Maxima comes equipped with a suite of standard safety features like: Driver Attention Alert, Forward Emergency Braking, and 6 standard airbags.
